

XXXXXXXXXX's XX grade evaluation

Basic Info- We are currently using Easy Peasy All In One Homeschool for our curriculum. XXXXX also attends XXXX, an enrichment program on Thursdays. She also attends a program at our church on Wednesdays. We also go on field trips once a month. Some of the places we have been to are Denver Zoo, Fort Collins Museum of Discovery, WOW children's museum, and the Butterfly Pavilion. We also love to get out in nature by going to local lakes and nature areas.

Reading- XXXXX is currently on day 106 of third reader for the Easy Peasy curriculum. She also reads a book of her choice for 15-20 minutes a day. XXXXX also enjoys reading books to her 3 younger siblings. We often do read aloud books as a family as well. She also has reading classes at the LEAP program. See examples of books she has read below.

Writing/Language Arts- XXXXX is currently on day 130 of the EP Language Arts Workbook level 3. She is learning how to construct paragraphs right now. She writes our shopping lists. She also has copy work that she does daily. XXXXX has also been learning cursive. See examples of her writing attached.

Speaking- XXXXX goes to AWANAs at our church. She has to recite bible verses to her leader. She also has a Spanish class at her XXXX program that she has to practice words aloud. She also does weekly presentations of her work in front of our family. See attached video.

Math- She is on day 130 of the EP Math workbook level 3. She is working on mastering her multiplication facts. She has an artistic math class at the XXXX program. They relate art to math. We also love to cook so she learns fractions while cooking. She also has been helping her Dad with remodeling our bathroom. She has learned about measuring and geometry. See examples attached.

History- She is on day 100 in the EP geography class. We have been learning about world geography. As we learn where different countries are located we also have been learning about their history and cultures. Currently we are learning about Asia. See examples attached

Civics- We do not have any formal class on civics at this time. We have family talks about current issues in the world. We also talk about different governments in our history class as we explore different countries around the world.

Literature- We have been studying different poems throughout this year. We have also read many of Aesop's Fables. See examples below.

Science- She is on day 100 in the EP Earth Science class. This year we have learned about weather, layers of the earth, different types of rocks, volcanoes (see attached Video), hurricanes, and currently we are learning about lakes, ponds and wetlands. See examples attached.

Art- She has a once a week art course through the EP website. She has learned about different artists this year. She also has an art class at the XXXX program. We also do many different crafts, paintings, and sculptures using household items.

Music- XXXXX has a once a week music class through the EP website. She has been learning about different instruments that make up an orchestra. She also has a folk dance class at the XXXX program. They have been learning the history about the music they dance to.

P.E.- She has a once a week program through the EP website. She has learned about healthy foods, how to stay safe in fires, as well as different ways to keep your body healthy. She also has a P.E. class at the XXXX program. She also loves to be outdoors. She enjoys bike riding, going on walks, and learning new sports.
